ELIX Polymers, S.L. - Information

Dear valued customer:

Currently, you are supplied with our ABS products under the trademarks LUSTRAN ABS, LUSTRAN ULTRA and NOVODUR. These same products are now also available under the trademark ELIX.

This letter is intended to inform you about the details and the different steps of this transfer process:

- Starting October 1st, 2011, ELIX Polymers, S.L ("ELIX") based in Tarragona (Spain) is acting as an independent producer of a broad portfolio of pre-coloured and natural ABS grades as well as ABS specialties.
- Until mid 2012, ELIX will continue to offer the known ABS grades under the LUSTRAN and NOVODUR trademarks. In parallel, you will be able to order the same products also under the new ELIX names.
- LUSTRAN and NOVODUR trademarks will then be substituted by the ELIX trademark.
- Grade name and color code will not be changed, only the trademarks LUSTRAN or NOVODUR will be substitute by ELIX (see examples below):
 - o LUSTRAN ABS H801 901510 -> ELIX ABS H801 901510
 - o NOVODUR P2H-AT 701233 -> ELIX ABS P2H-AT 701233
 - o NOVODUR P2MC 000000 -> ELIX ABS P2MC 000000
 - o LUSTRAN ULTRA 4115 901510 -> ELIX ULTRA 4115 901510
 - o etc.
- This portfolio will be produced in the same installations, with the same raw materials, based on the same intellectual property and process technologies, and within the same specifications as the known LUSTRAN and NOVODUR products. The knowhow has been established over the last 35 years at the company's production site in Tarragona.

ELIX Polymers, S.L. has already started to transfer existing certificates (e.g. drug master files, UL listings, etc.) to the new ELIX grade names.

- ELIX Polymers, S.L. certifies that product composition, raw materials, technology and manufacturing process of all ELIX ABS and ELIX ULTRA products are identical to those of the corresponding LUSTRAN ABS, LUSTRAN ULTRA and NOVODUR grades.
- ELIX Polymers, S.L. certifies that all ELIX ABS and ELIX ULTRA products have the same specifications, technical properties and performance as the corresponding LUSTRAN ABS, LUSTRAN ULTRA and NOVODUR grades.

Please visit our website at www.elix-polymers.com where you may find more info about our products.

If you have any further questions please feel free to contact your Account Manager, Customer Service Representative or myself, directly.

Sincerely yours,

ELIX Polymers, S.L.

Dr. Ralph Ostarek
